#### More Information

This evening will give you an insight into the newly published book “Experience the Fascinating Energy Of The Matrix”. Learn how you can access your unlimited potential and apply it in your daily life.

We will embark on a brilliant journey into the nature of change and reality to discover the power you have within you to transform. Join inspiring transformational leader Melissa Joy Jonsson for a playful exploration into universal consciousness and infinite potential, available to everyone within the field of the heart. With beautiful and clear articulation, combined with a humorous weave of science, spirit, and practical play, Melissa Joy Jonsson reveals how universal consciousness and infinite potential are organized and influence experiences. By practicing heart-centered awareness and freedom of choice, through the power of grace, anyone can navigate practically through life’s situations and challenges to experience more flow, joy, and personal fulfillment. The field of the heart is a portal to personal power, individual change, and global transformation, and it will lead you to a new reality based in unity, love, and limitless potential.

#### About The Author Melissa Joy Jonsson

Melissa Joy Jonsson is best known for her ability to engage people from all over the world to embrace their true authentic power through accessing universal consciousness by playing in the field of the heart. She has a unique perspective on how we are able to experience living joyfully, and loving completely from a state of grace.

Melissa has been teaching Matrix Energetics® life transformational seminars around the globe with Richard Bartlett since 2008. She is also the founder and instructor of the ‘M-Joy Of Being’ (Women) seminar series, a unifying movement in consciousness dedicated to exploring and expanding heart-centered awareness and practical personal empowerment for women. Prior to finding a career she loves, she spent almost 15 years as an executive in the pharmaceutical industry.

She is sought after as a respected published author, as well as a frequent guest speaker on global radio broadcasts. She is well known for her eloquent articulation, and personable accessibility on both nationally and internationally recognized social media platforms.

Melissa has a Bachelor’s Degree in Psychology from the University of California at Santa Barbara. She completed graduate studies at Pepperdine University’s Graziado School of Business and Management.
